WEST WRATTING UNDER 15'S GO UNDER THE GAZE OF TALENT SCOUTS AT NORWICH CITY FC

West Wrattling FC Under 15's side, which compete in the Cambridge Colts League Div. A, were one of five teams exclusively invited to attend a talent spotting event last week at Norwich City FC. The team, who are sponsored by Safebox Self Storage, were lucky enough to play at the club's impressive Colney Training Centre, just south of the city.

The event was part of the Norfolk club's on-going talent spotting process. The West Wrattling team, known locally as 'The Reds', was one of five of the strongest Under 15's teams in East Anglia offered to opportunity to play in a round-robin series under the gaze of numerous club scouts and youth coaches from Norwich City.

The other four Under 15's teams taking part were Gorleston FC and Lowestoft Town FC, who are both currently first and second respectively in the Norfolk and Suffolk Youth League Div.1, Teverham FC, currently first in the Norfolk Youth Combination League Div. A, and a representative side from the Pro Route Football Academy covering the East London area.

Sixteen of the team's eighteen man squad featured in the games and it proved a valuable insight for each player. The experience particularly encouraged individual development as each player was able to play in a variety of positions throughout the day. The standard of the playing surfaces, officials and facilities on the day was excellent and fitting for a club currently flying high in the Football League Championship.

There were many highlights during the day. However, Tom Pinker's towering header from a pin-point corner from Cameron Biggs versus the Gorleston team was one. Another featured James Percy racing on to a defence splitting pass from Matt Burley and then sending a fantastic curling effort high into the top corner of Taverham's goal. These two really caught the eye.

Charlie Schneider, manager of Safebox Self Storage in Cambridge, commented, 'We're extremely proud to be associated with the West Wrattling club and are delighted that the under 15's team are flying so high this season. We'd like to offer our congratulations to the whole team, and wish them well for the rest of the season – who knows a few of them may soon be signed up to a professional club such as Norwich.'
